I recommend the journal for the following reasons: (1 = very important; 2 = important; 3 = not important)

1 2 3  REFERENCE: I will refer to this journal frequently for work related research.

1 2 3  STUDENT READINGS: I will regularly refer my students to this journal to compliment their studies.

1 2 3  PUBLICATION OUTLET: A publication outlet in this area would be useful for my current work. I have submitted/am interested in submitting a paper to this journal.

1 2 3  BENEFIT FOR LIBRARY: I feel this journal’s aims, focus and content are useful and unique. This journal would be an important resource in helping the library meet the needs of departments, faculty, and students.

1 2 3  PERSONAL AFFILIATION: I am a member of the journal’s sponsoring society/advisory board/editorial board. I support the journal in its endeavors, use it frequently in my work, and plan to regularly recommend articles to colleagues and students.

My other reasons for recommending this journal are as follows:

Name: ______________________________________________   Position: ___________________________________

Department: __________________________________________
