I recommend the journal for the following reasons: (1 = very important; 2 = important; 3 = not important)

- |   |   |   |                                                                                                                                                                                                                                                           |
|---|---|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | 2 | 3 | <b>REFERENCE:</b> I will refer to this journal frequently for work related research.                                                                                                                                                                      |
| 1 | 2 | 3 | <b>STUDENT READINGS:</b> I will regularly refer my students to this journal to compliment their studies.                                                                                                                                                  |
| 1 | 2 | 3 | <b>PUBLICATION OUTLET:</b> A publication outlet in this area would be useful for my current work. I have submitted/am interested in submitting a paper to this journal.                                                                                   |
| 1 | 2 | 3 | <b>BENEFIT FOR LIBRARY:</b> I feel this journal's aims, focus and content are useful and unique. This journal would be an important resource in helping the library meet the needs of departments, faculty, and students.                                 |
| 1 | 2 | 3 | <b>PERSONAL AFFILIATION:</b> I am a member of the journal's sponsoring society/advisory board/editorial board. I support the journal in its endeavors, use it frequently in my work, and plan to regularly recommend articles to colleagues and students. |
