COVID regulations have been changing and are different among countries worldwide, causing travel and border entry restrictions. Our planned congress at Brisbane in 2022 has been canceled due to the pandemic. It was a general perception that the 2022 Congress should be an in-person meeting. Therefore, ISRS board decided to switch the venue to Milan, Italy, June 19–23, 2022.

New date and venue

15TH ISRS International Congress

June 19-23, 2022 | Milan, Italy
